## ABOUT ME

I have more than 5 years of experience developing Android apps with Java and Kotlin. Throughout my career, I have also been able to contribute to some backend tasks, having a Full Stack profile with broader knowledge of whole application development.

I have worked in many teams there were formed from 3 to 15 people. I try to work as efficiently as possible in order to achieve a good working environment and meet objectives and deadlines.

## EDUCATION

2016-2019  
**Higher degree - Cross multiplatform apps**  
Joyfe

2021-2021  
**Full Stack Web Bootcamp**  
Upgrade Hub

## LANGUAGES

Spanish  
English (B2)

## WORK EXPERIENCE

Jan 2024  
Jun 2025
